

# School's Out Club

## Enjoyed Holiday Club? Why not try our Breakfast & After School Club....

At Schools Out Club we have been providing families with flexible, all year wrap around care for children aged 3-14 years for 16 yrs. We provide the services of early breakfast clubs, after school clubs, a later collection from clubs in school. We also offer childcare for inset days filled with fun and engaging activities. Our breakfast and after school clubs support all the local schools and nurseries with our 5 blue fun buses and offer fun play opportunities with our vast range of toys and resources to suit all ages.

We offer special activities daily including parties with special visitors from our favourite cartoon characters. We love baking mouth-watering food from scratch as well as getting creative with crafts & fun science experiments.

Sport is also a really popular activity at our clubs whether it's dodgeball or archery in the hall or playing football and rounders over on the green with our qualified sports coaches.

"My two daughters love After school club!"

"I like the fact that B & A School Club is a break from school. A school club within a school to me is still like being in school. Schools Out Club offers children the opportunity to be children within a safe & educational environment."

"I'm never bored at schools out"
